## Handy Horse Hauling Checklists

BY CLAUDIA DINEEN, RUNAWAY WRITING

Spring and summer are here! It's time to hit the road with horse in tow and go do something fun! Shows, rodeos, trail rides, camping... You know you're ready!

But be sure to gather your stuff. And your horse's stuff.

**Nothing sucks as bad as forgetting to pack something critical.**

### Print This!

Three super handy checklists begin on the next page. As you read through them, you may cross off items that don't apply and think of items needed based on your situation. Go ahead and add them!

Just don't leave home without the things you need!
